**"South Hampshire 16mm & G Scale Railway Group.  
Incorporating "Southdown Railway Co."**

(Associate members of Fareham & District Model railway Club.)

First I would like to wish Peter McCormack a speedy recovery from his hospitalisation. Peter was admitted a couple of weeks ago but is now a lot better and may be back home by the time you read this. I'm sure you will all join me in saying get well soon Peter.

I saw a lot of the group at the 16mm AGM I hope you all spent lots of money buying new trains. We are booked for Reading after all this month, so another early morning start next weekend. The following week there is the Redhill show which is always popular so I may see some of you there on the Sunday.

I have a large collection of 16mm Magazines dating back over 10 years if anyone is interested in taking them off my hands. Also a few years copies of the American monthly magazine Trains. Free to member of the group. If you are interested give me a call and I will bring them along to the next Friday get together.
